

JULY 2008 ENTERPRISE BANK SPONSORS HORIZONS FISHING TOURNAMENT

Enterprise Bank prides itself on not only sponsoring local community charitable events but also participating.

July 2008, Enterprise Bank sponsored the Ninth Annual Horizons Fishing Tournament which raised over \$40,000 to support the Children's Programs of the John J. Brogan Horizons Bereavement Center.

Anglers competed for over \$30,000 in cash and prizes and generously donated almost 2000 pounds of fish. The fish was sold by Steve Gyland of Cod & Capers with all proceeds donated to the tournament.

Special Thanks to Enterprise Bank employees and customers who participated in this worthy cause for Hospice of Palm Beach County.

After a busy weigh-in, Caroline Fallon, Commercial Lender for Enterprise Bank, and family, along with other participants return to Riviera Beach Marina to enjoy fabulous food and to watch the winning anglers receive their awards.
